This fund is generally supplemented by the contributions from Govt out of the allotment made for "Supply of drinking water in rural areas" in the State Budget and by the ryots of the concerned villages. Under these circs., it is necessary to know the steps taken by the District Board to provide the people with drinking water in the Taluks refd to, before Govt can spend additional amounts for the purpose. Moreover an area should be declared "affected" before action is taken by Govt to alleviate distress.

This year (25-26), the provision is Rs 30,000/-

SIR,

I have the honour to forward herewith copy of letter No. S.C.194. dated the 13th February 1924 from the Deputy Commissioner, Chitaldrug District requesting an allotment of Rs1000/- for meeting the demands in respect of temporary wells to be sunk in tank beds in certain Taluks of his District where there is necessity for the same on account of the existing seasonal conditions and to request you to be so good as to obtain sanction of Government for allotting the sum asked for out of the grant of rupees one lakh placed at my disposal in Government Order No.R.2276-87/R.M. 11-23-71 dated the 22nd November 1923.

2. I am making this reference to Government as the order referred to above seems to indicate that the amount placed at my disposal is to be utilized only in the four affected Districts of Bangalore, Kolar, Tumkur and Mysore and the Comptroller has with reference to a similar allotment made to the Hassan District suggested that sanction of Government should be obtained and communicated to him for allotments made to Districts which are not specifically declared as affected.

Copy of letter No. S.C.194 of 23-24 dated the 13th February 1924 from the Deputy Commissioner, Chitaldrug District, to the Revenue Commissioner in Mysore, Bangalore.

I have the honour to state that applications for sinking temporary wells are being received in the Taluks of Hosdrug, Holalkere, Hiriyur in view of the present seasonal conditions. As the water in the existing wells is getting scanty and the improving of the existing sources of water supply and sinking of temporary wells in tank beds is very necessary, I request that an allotment of Rs.1,000/- may be placed at my disposal early, to meet the demands in urgent cases of necessity.
